

# Utility Arborist Association Sponsorship Form

With over 500 unique visitors a month, the UAA offers an interactive comprehensive website that is the primary resource for all aspects of Utility Arboriculture and right-of-way vegetation management.

**Features of the website include:**

- a secured **Members Only** section
- an **Industry News** section with up-to-date information on what is happening in the industry
- a **Job Posting** section to assist

members in their career advancement

- **Focused sections with links** and information dedicated to industry segments: Rights-of-Way, Vegetation Management, Roadside Management, Pole Treatment, etc.
