Lucas Tree Experts Hires Joel Schadt as Mid-Atlantic Manager

Washington, NC – Lucas Tree Experts, a safe, reliable and innovative tree company offering vegetation management and storm restoration services throughout the United States and Canada is excited to introduce, Joel Schadt, the newest member of our management team.

Joel, a graduate of Paul Smith's College, entered the arboricultural industry after graduation in 2011. Joel has worked his way from the ground up becoming proficient in all aspects of utility vegetation management including roadside bucket work, climbing, and off-road equipment. Joel's leadership and drive have allowed him to steadily advanced from ground operations, to trimmer, to foreman, to general foreman. As general foreman, he has been responsible for managing the daily operations of a large team throughout New York for multiple utilities and has excelled in safe operations, team development, and a strong safety culture.

"I am grateful and honored to become a member of the Lucas Tree family," commented Joel. I look forward to the great opportunities that come with this chapter of my career. The integrity and core values of this company align closely with my own making the decision to join this team an easy one."

"We are very enthusiastic to add Joel to our management team," said Lucas Beane, Regional Manager of Operations at Lucas Tree. "The enthusiasm, motivation, and integrity that he brings to our organization is a great fit. We are confident that Joel will continue to safely grow and develop our Mid Atlantic Division and feel he has great potential for substantial contributions to our industry as his career continues here."

Lucas Tree Experts has been providing vegetation management services to utilities throughout North America since 1926. We offer a diverse array of services including both distribution and transmission vegetation maintenance, emergency storm response, and integrated vegetation management. In this time, we have grown to be leaders in the industry by delivering quality goods and services to our customers, by being responsible members of the community, and by providing employees with opportunities to achieve their personal goals. Paramount to our success has been our continued focus and advancement in safety and training and development of strong leaders in our industry. For more information please visit www.lucastree.com.
