Advertisers will be given an insertion order (contract) that must be signed prior to any ad being published. Advertisers are billed by the UAA for payment in full for all ads to be run for the year based on the insertion order once it is received by UAA staff.

All advertisers will receive one *Newsline* edition per run as part of their advertising rate—totaling 6 per year.

PAYMENT

Payment in full is due within 30 days of the invoice. If payment is not received, advertising will be held until payment is received, which may result in an ad not being published in the *Newsline*.

COVER ADS

Ad formats with cover placement are first right of refusal for advertiser of the previous year and they have 5 business days to confirm.

DISCOUNTS

Discounts are available for 3 or 6 issues per year.

If the contract is received on or before November 1, 2023, see discount price(s) for the ad(s) that you have opted for. If after November 1, 2023, no discount is applied and advertising rates increase.

Advertisers can keep the previous year's rate if the contract is received by November 1 of the contract year—otherwise a 1% increase will be charged annually. Please note that the price will be honored for 3 years, then an increase of 1% is applied to that held rate.
