We're excited to invite you to our upcoming webinar

## “Work Plans and Crew Audits: Coordinating Operations from the Field”.

Join us as we explore three specific utility arborist tools to optimize work planning and auditing in Clearion.

### Here's what we'll cover:

- #1** | Discover techniques for documenting homeowner interactions and authorizations, ensuring clear instructions for downstream operations.
- #2** | Learn how to plan work at the span or parcel level, maximizing efficiency and minimizing errors.
- #3** | Master the process of submitting tasks for rework, streamlining corrective actions, and enhancing overall productivity.
