

UTILITY ARBORIST ASSOCIATION  
**SPONSORSHIP PROSPECTUS**

# 2026

## THE UAA VALUES **EACH** AND **EVERY ONE** OF OUR SPONSORS.

The UAA is an organization with thousands of individuals interested in and committed to the maintenance of trees and other vegetation for the purpose of ensuring the safe and reliable distribution of energy, including electric, oil and gas, to businesses and residences.

### UAA MISSION

"We will drive excellence, innovation, and improvement in utility vegetation management through professional development, outreach, research, and the use of best practices."

### VISION

"We will be the leading organization for those who provide professional vegetation management services."

### UAA CORE VALUES

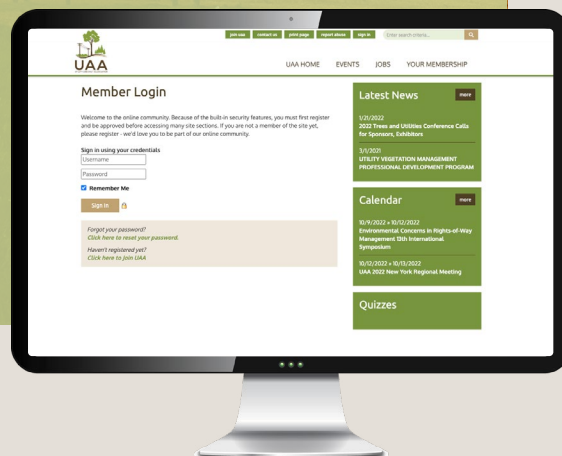

"A culture of safety, environmental sustainability, education, and operational excellence forms the foundation of our organization."

We cannot do what we do without our sponsors. UAA sponsorship provides industry connections, hospitality, affinity, member access, data, and helps to shape our members' perception in a way that is difficult to achieve on our own.

The UAA empowers a network of thousands of UVM professionals and the public, by offering an interactive, comprehensive website and member platform that is the primary resource for all aspects of utility arboriculture and right-of-way vegetation management.

### SPONSORSHIP OFFERINGS:

- Supporting educational outreach through webinars and quizzes
- Secured members-only section
- "Industry News" section on UAA social media with up-to-date information on what is happening in the industry
- Job posting section to assist members in their career advancement
- Robust website with featured links and information dedicated to industry segments

### SUPPORTER

\$1,000

The UAA Nelsen Money Scholarship Program provides financial support for university and college students through scholarships to foster a greater appreciation of the utility arboriculture industry. If you would like to make a financial contribution in support of the program, it will be invoiced separately from sponsorships.

#### BENEFITS OF DONATING:

- Your dollars will go towards supporting students looking to pursue various careers in programs of utility line clearance, utility vegetation management, arboriculture, forestry, urban forestry, or related fields to help boost our ever-changing industry.
- Tax deduction donation for you / your company
- Higher graduation rates. When students receive educational scholarships, allowing them to go to the school of their choice, it results in a significantly higher graduation rate.
- UAA Partners in Excellence (PinE Award) points will be awarded for scholarship donations. This award is given annually at the Trees & Utilities conference and recognizes companies that go above and beyond to support our mission. It encompasses UAA membership, sponsorship, advertising, active committee volunteerism, and many other means such as this scholarship. Then each has been quantified and assigned a value, all adding up to equal your PinE Score.

OPTIONAL ADD-ON | UNLIMITED

\$1,000

This year we are excited to be adding an opportunity to advance UVM education efforts. With this tax-deductible addition to your sponsorship, you can help advance the Professional UVM Credentialling Program at the university level and the Utility Line Clearance Arborist Training programs at the community college level. If adding this donation, select “other” on the pledge form and add your chosen

sponsorship level amount to your desired donation amount. This can be different that the listed donation amount; it will be divided equally between these two critical programs which are empowering UVM professionals. Corporate UVM education donors will be denoted with a graduation cap symbol next to your logo on the sponsorship recognitions online and in the sponsorship graphic.
